Electronics & Telecommunication Engineering Department Vision & Mission

Vision:

The Department of Electronics and Communication Engineering envisions the upliftment of students especially living in rural areas, through an effective teaching learning process and quality research, to make them competent globally with sound technical, interpersonal, analytical, managerial skills and professional ethics.

Mission:

1. Offering well-balanced curriculum to acquire professional competencies.
2. Developing state of-the-art infrastructure and research for effective teaching learning process and quality research.
3. Strengthening of soft skills, especially of rural students, through co-curricular & extra-curricular activities.
4. Creating awareness & thirst for life-long learning through interaction with outside world regarding contemporary issues, technological trends and entrepreneurship.

Vision & Mission is Approved by Member Governing Body
